

Pierre de Marbeuf- Et la mer et l'amour

1. [Notice](#)

This book was produced in EPUB format by the Internet Archive.

The book pages were scanned and converted to EPUB format automatically. This process relies on optical character recognition, and is somewhat susceptible to errors. The book may not offer the correct reading sequence, and there may be weird characters, non-words, and incorrect guesses at structure. Some page numbers and headers or footers may remain from the scanned page. The process which identifies images might have found stray marks on the page which are not actually images from the book. The hidden page numbering which may be available to your ereader corresponds to the numbered pages in the print edition, but is not an exact match; page numbers will increment at the same rate as the corresponding print edition, but we may have started numbering before the print book's visible page numbers. The Internet Archive is working to improve the scanning process and resulting books, but in the meantime, we hope that this book will be useful to you.

The Internet Archive was founded in 1996 to build an Internet library and to promote universal access to all knowledge. The Archive's purposes include offering permanent access for researchers, historians, scholars, people with disabilities, and the general public to historical collections that exist in digital format. The Internet Archive includes texts, audio, moving images, and software as well as archived web pages, and provides specialized services for information access for the blind and other persons with disabilities.

Celui qui craint les eaux qu'il demeure au rivage, Celui qui craint les maux qu'on souffre pour aimer, Qu'il ne se laisse pas à l'amour enflammer, Et tous deux ils seront sans hasard de naufrage. La mère de l'amour eut la mer pour berceau, Le feu sort de l'amour, sa mère sort de l'eau, Mais l'eau contre ce feu ne peut fournir des armes. Si l'eau pouvait éteindre un brasier amoureux, Ton amour qui me brûle est si fort douloureux, Que j'eusse éteint son feu de la mer de mes larmes Vous pouvez trouver sur BiblioBooksAudio la version audio et vidéo de cette nouvelle <http://bibliobooksaudio.blogspot.fr/>
